Finish

Install the Ink Ribbon

1 Put the Ink Ribbon Shafts into the Ink Ribbon Roll and Empty Paper Roll.

2 Press the "Push" button and the ribbon cassette bracket will pop up automatically.

3 Install the Shaft with the Ink Ribbon Roll on the Supply Terminal (bottom) and pull the Ink Ribbon out. Wrap the Ink Ribbon around the Empty Paper Roll.

4 Install the shaft with the Empty Paper Roll on the Receiving Terminal (top) and tighten the Ink Ribbon.

Install the paper roll

1 Install the paper roll:Make sure the print side is facing up.

2 Install and adjust the Label Paper so it feeds correctly.

Sensor

The sensor is aligned with the label and can be positioned normally. ✔

Label Column Gap

The sensor aligned the label gap and cannot positioned normally. ✘

3 Black mark:Remember to match the sensor to the black marks on the label.

4 Pull the label out(3-5cm) and close the printer cover .
